Case No. CV 10-03561 WHA

**JOINT STIPULATION AND [PROPOSED]
ORDER REGARDING PORTIONS OF
DR. BLOCH'S TESTIMONY**

Trial Date: May 9, 2016
Dept: Courtroom 8, 19th Fl.
Judge: Hon. William Alsup

Following Oracle's Motion to Strike Portions of Dr. Bloch's Testimony, the parties met and conferred and reached the following agreement:

1. The testimony of Dr. Bloch at Tr. 985:3-986:10 and Tr. 989:3-12 shall be stricken, and neither party shall be allowed to rely on such testimony with other witnesses or in closing arguments.
2. The stricken testimony itself should not be read back to the jury; rather, the parties agree that it will suffice to inform the jury of the category of the testimony stricken. To that end, the parties suggest the following instruction, subject to the Court's approval: "The portion of Dr. Bloch's testimony regarding the indirect dependency of packages and classes in the Java Language Specification has been stricken and should be disregarded."
